

Pipalyatjara Anangu School

Site Improvement Plan 2016-17

Our Vision and Purpose:

“Working and learning together to create strong beginnings and strong futures”

Our Targets:

We will contribute the most rapid growth in student learning outcomes in reading and numeracy in the Partnership.
We will create a dynamic environment in which attendance rates will lift to 85% for the whole school.

Our Outcomes:

Improved Attendance, Early Years, Wellbeing, English Literacy, Maths, Pitjantjatjara, Secondary—Training & Pathways

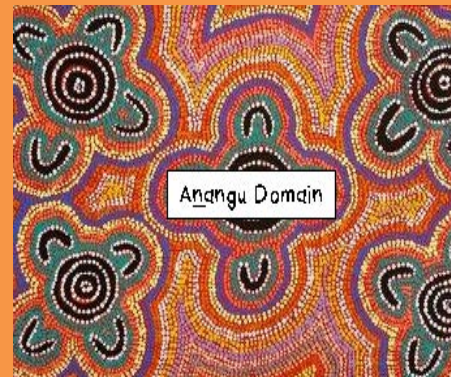

Effective Teaching and Learning Pathways to High Achievement

Effective Teaching

- Set challenging tasks, targets and goals for all students to develop high expectations in **English and Pitjantjatjara literacy and numeracy**
- Provide systematic and effective feedback and reflection to monitor learning in visible ways
- Enacting engaging and rigorous pedagogy and whole site agreements in **Literacy** (Oral language, Reading, Writing) and **Maths/Numeracy**
- Every secondary student has a plan and **secondary pathway** for future success

Creating Safe and Rigorous Conditions for Learning (Wellbeing)

- Safe conditions for rigorous learning and which embed the school values
- Every student is engaged in programs that build confidence, health, wellbeing, resilience and empathy

Strong Beginnings, Family and Community Partnerships (Engagement)

Early Years

- Building effective relationships with the families in the Learning Journey
- Provide support and resources for families to build on early learning success at pre/school.
- Every child attends and participates in quality play-based learning programs

Engagement

- Effective partnerships with families, community and school that values Anangu leadership and expertise
- Students and families participating effectively in the governance of the school

Our Values:

* Care *Respect *Learning *Courage
