

2023 School Improvement Plan Summary

Pipalyatjara Anangu School

Goals	Targets	Challenge of Practice	Success Criteria
To increase whole-school achievement in reading and progress towards SEA levels, as indicated by NAPLAN and PAT-R.	<p>2022: All students with an average attendance of 50% or higher will evidence progress towards SEA in Phonics and NAPLAN Reading as evidenced by PAT-R, Phonics screening and termly DIBELS assessments.</p> <p>2023: All students with an average attendance of 50% or higher will evidence progress towards SEA in Phonics and NAPLAN Reading as evidenced by PAT-R, Phonics screening, termly DIBELS assessments and ongoing assessments from the Multilit suite.</p> <p>2024:</p>	If we develop the capacity of each educator to intentionally plan, explicitly teach and assess the aspects of decoding, fluency & phrasing and comprehension daily, then students will engage more successfully in reading.	Students will develop and use the skills of decoding, fluency, & phrasing and comprehension in order to read and comprehend an increasing range of texts of increasing complexity (in both standard Australian English and Pitjantjatjara).
